MUSINGS FROM THE MoGH...

The Museum of Gaming History (MoGH) needs your help!

As part of the CCA's Educational efforts, we are looking for Convention attendees to consider doing an Exhibit for the People's Choice Award competition. Please contact Jim Follis at Exhibits@ccgtcc.com for more information.

"The Trail of the MoGH" is an expression we are using to denote the various Exhibits that have been installed in and around Las Vegas to promote the MoGH. We have a small display at the NEON Museum, for which we will be expanding and upgrading. The current Exhibit features collectibles from the Sahara and we are changing it the Hard Rock, in concert with the NEON Museum getting the Hard Rock Guitar sign. Club member Steve Bedo will be providing Hard Rock collectibles for this exhibit. Thank you, Steve.

In another exciting development, the MoGH is planning to temporarily, relocate the "Cheaters Exhibit" from the Nevada State Museum, Springs Preserve, to the Bourse Floor, during the Convention and Show. While not cast in concrete, this is the plan! The May issue of the NEWSLETTER should have a final plan.

The MoGH... Always moving forward!

MOB MUSEUM REQUEST for HOWARD HUGHES ITEMS

The MoGH needs your help.

The Mob Museum is now preparing to revamp the artifact case focused on Howard Hughes and Bob Maheu. They want to include a bunch of casino memorabilia from when Hughes owned the following casinos:

Desert Inn

Sands

Frontier

Silver Slipper

Castaways

Landmark

Harold's Club (Reno)

They are really hoping to get items that have Hughes' name fairly prominently displayed. Examples: coffee mugs, ashtrays, change buckets, chips, menus, promotional literature, letterhead, etc. Objects are most desirable in this instance, especially one-of-a-kind items.

This is a great opportunity for you to have a part of your collection seen by thousands every year. Please contact Mike Quinlivan at MQPROD54@GMAIL.COM if you think that you have any item(s) that fit the requirements or you just want more information about how the program works.
